#### **Agenda Items:**

- **Corps Safety Training - Hazardous Energy Control Program (HECP)**

We need to take care of Corps safety measures prior to any work on the ladder.

Darren – Check on test taking.

- **Winter Driving**

Be much more cautious. Some hills are still very slick even though the main roads are dry.

- **Vehicle Safety Checks**

Make sure tires, brakes are ok and there are no windshield cracks within the field of vision.

Darren's truck needs oil change.

Alan's truck needs oil change.

- **Safety Equipment**

Does everyone have what they need? Yes

- **Sat Phone**

There is no Sat phone at this time, so be aware if at Jack Creek.

Good cell spot about ½ mile down the road.

Can use their phone, but be aware it broadcasts over the radio & Ellensburg can hear you.

- **Icy Conditions**

Larry is doing a good job keeping the entrance free from ice. If needed there is bag of ice melt in the back. Be careful when walking in the parking lot.

Meeting adjourned at 10:30 AM.
