

Safety Meeting: October 14, 2010

Location: Kennewick Office

Attendees: Don Warf, Alan Brower, Darren Chase, Troy Humphrey, Scott Livingston & Jenn Nighbor

Absent: None

Recorded by: Jenn Nighbor

Agenda Items:

Previous Business:

Prosser Left Bank - Suggestion that the platform legs may need to be cut as the working level is a big high.

Update: Don will put this on the work list for someone to take care of.

Granite Juvenile – There is equipment that is being stored in front of the transceiver enclosures.

Update: Don to send email to request removal of items.

B2J – There are dead rodents and the floor is getting pretty unsanitary.

Update: Scott to send an email to Jon Rerecich, no lights, Hantavirus, trip hazards due to foliage.

Jenn is to look into satellite phones and what to do in the event of snakebite.

Update: Jenn researched some satellite phone and service plan costs.

Update: Jenn has handout outlining first aid steps to take in the event of snakebite to handout to the team.

Roza – There is a safety concern with climbing the ladder, which is right at the height limit before requiring a cage, therefore, this poses a safety concern. Please be aware of this and make a note to use the rungs and not the side rails.

Don will pick up something to safely secure equipment up the ladder.

Update: Don will get a duffle bag to be kept in the locker on site for safely hoisting equipment up the ladder.

Don to purchase hard shelled knee pads.

Update: Items purchased and delivered to staff with additional knee pads in computer storage room.

Safety glasses/reading glasses – Don purchased glasses from Lowes.

Prescription safety glasses are still an option for those who wish to get this type of safety glasses.

Update: Safety reading glasses have been purchased.

Troy, Scott & Alan will need to get steel toes.

We have an account at Red Wing, so go and get new boots as this poses a slip/fall hazard.

Update: Troy & Alan purchased new steel toes.

Update: Scott will purchase steel toes.

Power strips are plugged into additional power strips near the battery charging station.

Troy will address this after the safety meeting.

Update:

Previous Business Continued

Jenn to look into aftermarket On-star service for work Ford vehicles.

Update: Jenn was not able to find an aftermarket On-star service device for Ford vehicles.

Jenn to look into vehicle mounted cell phone amps.

Update: Jenn to work on this one.

New Business:

Safety Concerns – Field Locations

Roza

Working on scaffolding and working around a welding crew. Will need to have safety eye protection due to grinding, fall protection, hard hat and any other protective gear required by the site.

Safety Concerns - Kennewick Office

Under construction that will cause trip hazards, fumes, and use orange cones to alert to hazards when possible. If close by wear eye protection.

Equipment

New cold weather gear.

Scott & Darren to get safety shoes.

Orange Vests to be purchased.

Harness inspections are due.

Jenn to coordinate.

Vehicles

Alan's truck windshield needs to be replaced due to a crack.

Scott's truck is having braking issues.

All work vehicles need to be serviced.

Training

WA LNI Online Safety Training –
